AFI 31-207, 1 August 1995, is supplemented as follows:

1.1.2. With approval of individual unit commander, the Installation Chief, Security Police may authorize people to bear and use concealed firearms.

2.2. The USAFA Natural Resources personnel performing duties in wildlife conservation are authorized to bear firearms in addition to civilian contract munitions personnel.

2.9.2. All personnel who require an AF Form 523 to perform official duties, (Security Police Investigators, Natural Resources and Contract Munitions personnel) shall submit their form to the on-duty armorer at the end of their shift.

2.9.3. Security Police Training (10 SPS/SPTT) will maintain and control permit numbers for AF Form 523 for the USAFA. Agencies requiring AF Forms 523 will coordinate their request for permit numbers to 10 SPS/SPTT. 10 SPS/SPTT will assign numbers to each respective agency as required. Personnel who become disqualified from carrying a weapon due to conditions outlined in AFI 31-207 are required to notify 10 SPS/SPTT for suspension of permit number. Agencies requiring a permit must renew their respective permit numbers annually through 10 SPS/SPTT.

2.14. The on-duty security police element leader or higher authority may approve the discharge of a firearm to terminate injured wildlife. The discharge must not endanger life or property and will be reported to Security Police Operations (10 SPS/SPO).
